6. [ ] LIAISON Called Manda Weintraub, in the office of Representative Benjamin A. Gilman (R., N. 7. [ ] LEGISLATION Attended a meeting at OMB, chaired by Bernie Martin, to discuss the Agency's views and problems with S. 305, Senator William Proxmire's (D., Wis.) bill to expand corporate reporting requirements and outlaw foreign bribery. Also present from the Agency were [ ] OGC. Representatives from Departments of State and Justice and the Securities and Exchange Commission also attended. (See Memorandum for the Record.)

25X1

8. [ ] LIAISON Called Bill Hogan, Counsel, House Armed Services Committee, and explained that our senior records management people expressed reservations as to the Agency's storage of the Committee's Watergate investigative material and requested that the material be stored at Archives. I further explained that the Agency has established an excellent working relationship with the Archivist and such material would be stored with the strictest caveats for denying access except with the express approval of the Congress. I asked if there would be any problems if we sent the material to Archives. Mr. Hogan said this was totally agreeable and to go ahead with the arrangements to have the material stored in Archives. Mr. Blake, DDA, and [ ] IA/DDA, were advised.

9. [ ] LIAISON Met with Frank Sullivan, Chief Counsel, Senate Armed Services Committee, to discuss setting up an informal meeting between Senator Sam Nunn (D., Ga.), Senator Dewey F. Bartlett (R., Okla), and [ ] NIO/CF, for a briefing on the new intelligence estimate on warning time for NATO/Warsaw Pact forces rather than a formal hearing jointly with retired General Hollingsworth, which Senator Nunn had indicated he wanted during the discussion at the Committee's hearing. Sullivan referred me to George Travers, Committee staff member who handles matters for Senator Nunn. I spoke to Travers and he was receptive to an informal session. He will discuss this with Senator Nunn and will get back to me later this week as to whether he wants the informal meeting set up.

25X1 10. [REDACTED] LIAISON Met with Jim Smith, Senate Armed Services Committee staff. He expressed concern that Soviet Embassy personnel have been attending open sessions of Committee hearings at which senior Defense officials are testifying. The members want to be alerted to their presence and Smith asked if the Agency had any bios and photographs of Soviet Embassy officials which would aid them in identifying them should they attend Committee meetings. I told him I would check with our biographics people and get back to him. The request was referred to [REDACTED] DDI/CPS.

25X1 11. [REDACTED] BRIEFING I met with Don Lynch, Senate Armed Services Committee staff, and gave him a copy of Mr. Paul Walsh's, ADDI, briefing statement on the Soviet navy for Friday's appearance before the Committee. Lynch requested the statement for his review to develop questions and agreed to provide them to me prior to the meeting to assist Mr. Walsh in preparing responses. Lynch understood that the statement is at the Top Secret Codeword level and that it is being revised to delete the Codeword material per his request. He will exclude such material in his review. The meeting for Friday, 11 March, was set for 9:30 a.m. - 11:00 a.m. in Room 212 of the Russell Office Building. [REDACTED] DDI/CPS, was advised. There will be a transcript and technical monitoring was laid on with Security.

25X1 12. [REDACTED] LIAISON I called Lewis Gullick, House International Relations Committee staff, and told him that due to the swearing-in of Admiral Turner and the visit of the President to the Agency, we had been unable to get an answer back to him on his request for an analysis on S. Res. 400, but I told him I would get to him by 10 March. After discussing the matter with Mr. Cary, [REDACTED] will call Gullick and give him our analysis of S. Res. 400. 25X1

25X1 13. [REDACTED] LIAISON Received a call from James Fellenbaum, Senate Appropriations Committee staff. Fellenbaum indicated that as House mark-up on the IC Supplemental and FY 1978 Budget will be available prior to the 16 March hearing, the Senate will treat any appeals we wish to make at that hearing.

The Committee wants appeals to be in writing and unclassified. We should have it available for the staff on 14 March.
